**On the mission of the Church...**

**“The parish is the presence of the Church in a given territory, an environment for hearing God’s word, for growth in the Christian life, for dialogue, proclamation, charitable outreach, worship and celebration. In all its activities the parish encourages and trains its members to be evangelisers.**

**It is a community of communities, a sanctuary where the thirsty come to drink in the midst of their journey, and a centre of constant missionary outreach... to make them environments of living communion and participation, and to make them completely mission-oriented.”**

**From Pope Francis’ *Evangelii Gaudium***
