

A neutered male husky, approximately 6-8 years old was found alone Wednesday morning by the Commons entrance of the Church. A New Kent Animal Protection officer picked up this sweet guy Wednesday afternoon and has let us know he doesn't have a chip or tag to identify ownership. After ten days, he will be available for adoption. If you know of anyone who has lost a pet, one brown eye and one blue eye, very gentle and loving nature, please contact New Kent Animal Protection at 966-9500.

On the mission of the Church...

“The parish is the presence of the Church in a given territory, an environment for hearing God’s word, for growth in the Christian life, for dialogue, proclamation, charitable outreach, worship and celebration. In all its activities the parish encourages and trains its members to be evangelisers.

It is a community of communities, a sanctuary where the thirsty come to drink in the midst of their journey, and a centre of constant missionary outreach... to make them environments of living communion and participation, and to make them completely mission-oriented.”

From Pope Francis’ *Evangelii Gaudium*
